Generals Meade and Porter will be present, and possibly General Grant and a portion of his staff. The occasion will be one of rare interest and will doubtless attract a large number of visiters.

A LEPTER FROM JEFF. DAVIS. The Herald's Washington special says among the papers captured, with Jaff Da. vis' party was one written by Jeff to Mrs. Davis immediately upon the concimion of negotiations between Generals Sherman and Johnston. His informs his wife they have secured in the stipulations more for the South than they ever asked, either before or since the commencement of the war. He also states that the agreement fully recognizes State sovereignty, and is an indorsement of Southern views on the Page,

State Rights question. There was also another letter found on the person of Harrison, Davis' private secretary, from the rebel Postmanier General Reagan, in which the latter goes into an elaborate argument to show that the South has got in the stipulation all she ever asked for.

PROMOTED Brevet Brigadier General Wm. L. Clark, A. A. G., of the Army, of Tennescee, and Chief of Staff of General McPherson, has been confirmed full Brigadier General, and takes command in General Weitzel's corps-

POLITICIANS IN WASHINGTON. The World's Washington special says: There are a large number of politicians now here from every section. The President is almost overwhelmed by them. Members of several Republican State Com-mittees are in town, and announce their determination to stand by the President on the question of negro suffrage, leaving it to be settled by the States.

BUSH FOR AMNISTY. The amnesty oath is being taken by Southern citizens in large numbers, while about thirty prisoners of war are brought up each day from Point Lookout to take

the oath of allegiance. ALL LEFT FOR THE WEST. The 3d Division of the 14th Corps, being the last of Sberman's army, left this orning for the West over the Baltimora and Ohio Railroad.

SOLDIERS RETAINING THEIR ARMS. The Tribune special says all soldiers deirous of retaining their arms and accourements at the reduced prices recently published, are required to signify their intention of doing so before their term of future delivery. The market closed heavy service expires, in order that a proper reduction may be made on the rolls.

Vicksburg. WASHINGTON, June 17. APPOINTMENTS. The President has appointed Andrew Hamilton, o. Texas, Provisional Gover, or of that State, and also Jas. Johnson, of Georgis, Provisional Governor of Georgia. The form of the proclamation is precisely similar to those heretofore appointing provisional governors for North Carolina and Mississippi, and the duties prescribed are the same. They are to exercise all power proper to enable the loyal people to restore said States to their constitutional relations to the Federal Government, and present such a republican form of government as will entitle the State to the guarantee of the United States, and its people to the protection of the United States against in-

SIR: I have the honor to inform you that it has been made known to this Dowartment by the Minister of the United States residing in France, that the Imperial Government of that country has removed all the restrictions heretofore imposed by it upon naval intercourse with

the United States. I have also the pleasure to inform you that I have learned in the same authentic mannox that the imperial government of France has withdrawn from the insurgents the character of belligerents, which peretofore that government had accorded to them, and these preceedings by the government of France bave been prompted by the desire of reviving old sympathies between the two nations whose interests and traditions constantly invite them to form the most cordial relations.

I beg leave to suggest the importance of communicating these facis to the proper officers of the navy. I have the honor to be, sir, Your obedient servant,

WM H. SEWARD.
